Parent First and Last Name Information

Any changes to your demographic information must be completed on the annual "Student Emergency Form".

Please note that all requests go through an approval process and could take up to a week to process. You will receive a notification in the inbox on the portal when your request has been processed. Thank you.

Student Name

Contact Information

Phone
No data

Email
XXX.X123@student.cbsd.org

Relationships

After logging into the Parent Portal, click "More" on the left menu, then select, "Family Information."

Your student's username is the information that appears in front of the @symbol in their district email address. Enter ONLY the username into the enrollment form, leaving off the @student.cbsd.org.
