

As always, individuals who are sick (ie. fever/vomiting/diarrhea) should remain at home to prevent the spread of infection.

Answer the 2 questions in the blue boxes.

Has the CBSD student or employee been in close personal contact with an individual who tested positive for COVID-19?

YES

- Stay at home.
- Inform the school.
- Call your healthcare provider.
- Students/Employees must remain at home for 10 days (7 days with evidence of a negative COVID-19 test*) from the date of last close personal contact with a positive individual.

Families/Employees should notify the school if a CBSD student/employee tests positive for COVID-19. The district will work with the Bucks County Health Department to determine a safe return date.

Does the CBSD student or employee have 1 or more symptoms in **Group A** or 2 or more from **Group B**?

Group A

- cough
- shortness of breath
- difficulty breathing
- new loss of taste
- new loss of smell

Group B

- fever (100 degrees or higher)
- chills
- hot/cold flashes/shivering
- muscle pain
- headache
- sore throat
- nausea or vomiting
- diarrhea
- fatigue
- runny nose or congestion

YES

- Stay at home.
- Inform the school.
- Rest and recover.
- Call your healthcare provider if symptoms worsen.

Return to School/Work Criteria

CBSD students and employees should stay home when they are sick to help reduce the spread of infection. Those who are experiencing symptoms that could be associated with COVID-19 (as outlined above) may not return to school/work until the following 3 criteria are met:

- 1. Individual has been fever free for 24 hours without the use of fever reducing medication,**
- 2. AND has improved symptoms,**
- 3. AND at least 10 days have passed since symptoms first appeared, OR the date of a positive COVID-19 test.**

*In order to return after 7 days, the COVID-19 test must have been performed on or after day 5. Visit www.cbsd.org/2020-21 for more information. Call your school nurse with questions or concerns.
