

Dear families,

Welcome to Sixth Grade! I am so excited to have the opportunity to work with you during this new school year. Sixth Grade is such an important and meaningful school year; it's the culmination of your grade school experience. Grades K through 5 are in the rear-view mirror and we now begin to look forward to the learning and work that we will do this year and in middle school!

I hope you all have had an awesome summer! I look forward to hearing all about it when I meet you in person. I have spent most of the summer gardening, reading, and swimming. What fun things did you do this summer? **Please bring in a photograph or drawing of your favorite summer activity on the first day of school. You can also email me a photo or video instead at acarvalho@cbsd.org.** We will take time in class to discuss your summer adventure, and the drawing or photo will hang proudly in our classroom.

Make sure you take time to enjoy these last few days of summer. On your first day of school (Monday, August 30th) be sure to bring your school supplies, a healthy snack, a photo or drawing, and a positive attitude! I am looking forward to seeing you again; we are going to have a wonderful year!

I can't wait to meet you!

Ms. Carvalho 😊
