Central Bucks School District is the third largest school district in Pennsylvania. The district includes nine municipalities, covering 122 square miles with a population of over 120,000 and an enrollment of just under 18,000 students.

Central Bucks teachers read Cultivate by Jimmy Casas. Casas speaks to positive school culture and climate, embodied by the statement, “Every Student, Every Day, Whatever it Takes.”
Dear Central Bucks Family,

Welcome to a new school year! I hope you had a restful summer break and that you found time to enjoy the company of friends and loved ones. A new school year is upon us, filled with possibility and opportunity! I am confident that our students will walk through our doors on September 3 ready to learn, grow, and succeed!

Over the break, our administrative team worked together to review the progress we made as an organization in 2018-2019 and set goals for the 2019-2020 school year. This process is a critical one for any successful school district that is focused on continuous improvement.

This “Vision for Our Schools” is our path toward excellence in each of the most essential elements of our school systems: our academic programs, our community, and our fiscal responsibility. Each of these areas is represented by the “pillars” of the logo.

We invite you to follow our progress and learn more about the goals we have set for the coming year at www.cbsd.org/vision. In addition, we look forward to celebrating our achievements at the second annual “Celebration of Our Schools” event on January 29, 2020. Hundreds attended last year, and we hope students, staff, and families will take part in even greater numbers this year!

This is an exciting time for our schools and our community. Our commitment to you is that we will ensure that our singular focus is on what’s best for our students – every student, every day, whatever it takes.

Thank you for all that you do to make this school community so special – and welcome back!

Be well,

John J. Kopicki, Ed.D.
Superintendent of Schools

### SCHOOL CLOSINGS – MODIFIED KINDERGARTEN SCHEDULE

Did you know that CB is implementing a new “modified” kindergarten schedule in the event of a 2-hour delay? AM and PM kindergarten students will attend according to an altered schedule, avoiding the regular cancellation of AM kindergarten when schools open 2 hours late. Get the details and other procedures for school closings, delays, and early dismissals at www.cbsd.org/schoolclosings.

OUR MISSION
Central Bucks School District

The Central Bucks Schools will provide all students with the academic and problem-solving skills essential for personal development, responsible citizenship, and life-long learning.

Central Bucks Board of School Directors

The board of school directors, known informally as the school board, is a legislative body of citizens who are elected locally and who serve as agents of the state legislature to provide a “thorough and efficient” system of education as mandated by the Pennsylvania Constitution. Each board consists of nine members who serve four-year terms without pay. The superintendent is also an official (though non-voting) member of the board. Board members can be elected at large or by region. Central Bucks has nine voting regions, which can each elect one director.

The school board meeting schedule can be found on the CBSD website. The board must adopt a meeting calendar each December, which is published in the local newspaper before the first meeting in January. The school board may also plan a special meeting for a designated topic, such as adoption of the budget or the holding of a hearing. All special meetings must be advertised. All business meetings are held at 7:30 p.m. in the Central Bucks Educational Services Center located at 16 Welden Drive, Doylestown, PA.

Members of the public are invited to attend school board meetings. A period for public comment is scheduled at every school board meeting. Citizens who wish to comment during that time can sign up at the lectern prior to the meeting. Each speaker is given three minutes to speak. The board will listen, take comments and questions under advisement, and not respond at this time. The presiding officer will refer questions to the superintendent for research and response.
# Levels of Discipline

## Level I
Minor misbehavior on the part of the student which impedes orderly classroom procedure or interferes with the orderly operation of the school. These misbehaviors can be handled by an individual staff member but sometimes require the intervention of other school support personnel.

## Level II
Frequent or serious misbehavior that tends to disrupt the learning climate of the school. These infractions, which usually result from the continuation of Level I behaviors, require the intervention of a person on the administrative level because the execution of Level I discipline options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others but whose educational consequences are severe enough to require corrective action on the part of the administrative personnel.

## Level III
Acts directed against persons or property whose consequences do not seriously endanger the health or safety of others in the school. These acts which might be considered criminal (or illegal) but most frequently are handled by the disciplinary mechanism in the school. Corrective measures which the school should undertake, however, depend on the extent of the school’s resources for remediating the situation in the best interest of all Superior students. These acts which are criminal (or illegal) will automatically be referred to the appropriate law enforcement office.

## Level IV
Acts which result in violence to another’s person or property, or which present a direct threat to the safety of others in the school. These acts are severely criminal and are so serious that they always require administrative actions which result in the immediate removal of the students from school, the intervention of law enforcement authorities, and action by the Board of School Directors.

## Disciplinary Responses

- **Immediate Intervention**: Is required by the staff member who is supervising the student or who observes the misbehavior.
- **Temporary Removal**: Requires a parent teacher conference; conference with the counselor and/or administrator.
- **Parent and/or student conference**: Held with the student, the parent and the administrator.
- **Suspension**: (up to 5 days)
- **Temporary removal from class**: The student is immediately removed from the classroom, the intervention of law enforcement agencies. Referral for SAP referral psychological treatment; Expulsion; Other Board action which results in appropriate placement; Alternative school; Parent hearing; Restitution of property and damages.
