CENTRAL BUCKS STRONG

Dear Central Bucks Families,

This year, we return to a school year that is like no other in our collective memory. Our students are beginning a new school year, with all the excitement and challenge that comes with meeting a new teacher, making new friends, and making goals – all while facing the myriad challenges associated with the continuing pandemic.

Like you, I have given a great deal of thought to what we can do to help students overcome these challenges. As an educator my thoughts return to my days in the classroom and with my own children. In a word – that's hope. The disappointments that we experienced last year were often contrasted by the strength, resilience, and creativity of our teachers, families, and students. I fully believe that it is because our community is full of hope – hope for the future of our students, hope for the future of our community, and hope for the future of our nation.

As we enter a new school year, I invite you to share your hopeful thoughts for this school year with your children. The support of this community, the dedication of our faculty and staff, and the embrace of our wider community fills me with a sense of pride, confidence and hope that we can overcome the challenges that this continued crisis presents to us, and that our schools will be places of joy and learning this year, and in the future.

I continue to be grateful each and every day for the opportunity to serve this amazing community. We are here for you.

Stay Well,

John J. Kopicki, Ed.D.

OUR MISSION

Central Bucks School District

The Central Bucks Schools will provide all students with the academic and problem-solving skills essential for personal development, responsible citizenship, and life-long learning.

Central Bucks Board of School Directors

The board of school directors, known informally as the school board, is a legislative body of citizens who are elected locally and who serve as agents of the state legislature to provide a “thorough and efficient” system of education as mandated by the Pennsylvania Constitution. Each board consists of nine members who serve four-year terms without pay. The superintendent is also an official (though non-voting) member of the board. Board members can be elected at large or by region. Central Bucks has nine voting regions, which can each elect one director.

The school board meeting schedule can be found on the CBSD website. The board must adopt a meeting calendar each December, which is published in the local newspaper before the first meeting in January. The school board may also plan a special meeting for a designated topic, such as adoption of the budget or the holding of a hearing. All special meetings must be advertised. All business meetings are held at 7:30 p.m. in the Central Bucks Educational Services Center located at 16 Welden Drive, Doylestown, PA.

Members of the public are invited to attend school board meetings. A period for public comment is scheduled at every school board meeting. Citizens who wish to comment during that time can sign up at the lectern prior to the meeting. Each speaker is given three minutes to speak. The board will listen, take comments and questions under advisement, and not respond at this time. The presiding officer will refer questions to the superintendent for research and response.

LEVELS	EXAMPLES	PROCEDURES	DISCIPLINARY RESPONSES
<p>Level I Minor misbehavior on the part of the student which impedes orderly classroom procedure or interferes with the orderly operation of the school. These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school support personnel.</p>	<p>Classroom or in-school disturbance; Cutting classes (first instances); Inappropriate attire; Inappropriate displays of affection; Disrespectful language or gestures; Cheating and lying; Bus disturbance; non-defiant failure to complete assignments or carry out directions; Tardiness; Lack of respect; Unreasonable noise; Cafeteria misbehavior; Misbehavior on school property; Abusive language; Abuse of school or personal property and equipment, Bullying</p>	<ul style="list-style-type: none"> Immediate intervention is required by the staff member who is supervising the student or who observes the misbehavior. Repeated misbehavior requires a parent/teacher conference; conference with the counselor and/or administrator. A proper and accurate record of the offenses and disciplinary action is maintained by staff member. 	<p>Verbal reprimand Special assignment Behavior contract Parent conference (person or phone) Withdrawal of privileges Strict supervised study After-school detention, Referral to office</p>
<p>Level II Frequent or serious misbehavior that tends to disrupt the learning climate of the school. These infractions, which usually result from the continuation of Level I behaviors, require the intervention of personnel on the administrative level because the execution of Level I disciplinary options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others but whose educational consequences are serious enough to require corrective action on the part of the administrative personnel.</p>	<p>Continuation of unmodified Level I misbehavior Disruptive classroom behavior Insubordination Truancy Repeated tardiness Smoking Using forged notes or excuses Cutting classes (repeated instances) Failure to serve detention assignments Gambling Bullying</p>	<ul style="list-style-type: none"> The student is referred to the administrator of appropriate disciplinary action. The administrator meets with the student and/or teacher and decides the most appropriate response. The teacher is informed of the administrator's action. A proper and accurate record of the offense and the disciplinary action is maintained by the administrator. A parental conference is held as a result of suspension. 	<p>Social probation Behavioral contract In-school suspension Teacher/schedule change Referral to outside agency Referral for evaluation Parent-teacher/parent-administrator conference Suspension (up to 5 days) After-School detention Saturday Suspension</p>
<p>Level III Acts directed against persons or property but whose consequences do not seriously endanger the health or safety of others in the school. These acts which might be considered criminal (or illegal) but most frequently can be handled by the disciplinary mechanism in the school. Corrective measures which the school should undertake, however, depend on the extent of the school's resources for remediating the situation in the best interest of all students. Those acts which are criminal (or illegal) will automatically be referred to the appropriate law enforcement office.</p>	<p>Leaving school without authority Fighting (simple) Stealing Vandalism (minor) Throwing rocks or other harmful objects Reckless driving on school property Threats to others Continuation of unmodified Level I and II misbehavior Setting off firecrackers Use of obscene language or gestures Violation of controlled substances policy Repeated bullying behavior</p>	<ul style="list-style-type: none"> The administrator indicates disciplinary action by investigating the infraction and conferring with staff on the extent of the consequences. The administrator meets with the student and confers with the parent about the student's misconduct and the resulting disciplinary action. A proper and accurate record of offenses and disciplinary action is maintained by the administrator. 	<p>Temporary removal from class Temporary or full suspension Alternative program Parent conference and/or hearing Referral for psychological evaluation Charges under Pennsylvania Criminal Code Restitution of property and damages Saturday Suspension SAP referral</p>
<p>Level IV Acts which result in violence to another's person or property, or which pose a direct threat to the safety of others in the school. These acts are clearly criminal and are so serious that they always require administrative actions which result in the immediate removal of the students from school, the intervention of law enforcement authorities, and action by the Board of School Directors.</p>	<p>Continuation of unmodified Level I, II, and III misbehavior; Vandalism (major); Arson; Theft, possession, or sale of stolen property; Deliberately striking a staff member; Furnishing or selling of drugs and alcohol; Fighting (assault/battery); Extortion; Bomb threat or false alarm; Possession, use or transfer of a weapon.</p>	<ul style="list-style-type: none"> The administrator verifies the offense, confers with the staff involved and meets with the student. The student is immediately removed from the school environment. Parents are notified. School officials contact law enforcement agency and assist in prosecuting offender. A complete and accurate report is submitted to the superintendent by Board action 	<p>All verified offenses in Level IV will have a mandatory suspension for up to 10 days with an informal hearing. Charges under Pennsylvania Civil Criminal Code or referral to appropriate law enforcement agencies. Referral for SAP referral psychological treatment; Expulsion; Other Board action which results in appropriate placement; Alternative school; Parent hearing; Restitution of property and damages.</p>
