

# welcome to THIRD GRADE

Hello Third Graders,

June 2023

I hope your summer is off to a great start and that you'll be enjoying lots of fun in the sun! I know I'm looking forward to seeing all of you when the new school year starts!

Let me tell you a little bit about myself. I grew up in nearby Buckingham and graduated from Central Bucks High School East. I then graduated from Millersville University with a degree in Early Childhood Education. I also have my Master's in Social-Emotional Learning from Neumann University. I've taught for two years at Buckingham Elementary (where I went to school), first as a building substitute and then as a first grade teacher. Two years ago, I taught second grade at Gayman for the first half of the school year and then third grade at Groveland for the second half. Last year, I settled down at Pine Run to teach third grade! Go Owls! In my free time, I love to sing and perform in musicals, play the ukulele, paint and sketch, go to the beach, journal and spend time with my friends and family.

This year in third grade, we will have the opportunity to learn in a lot of new and interesting ways. We'll explore the solar system, motion, chicks, butterflies and the ECON marketplace. We'll also continue to read both fiction and non-fiction texts, write stories, poems and essays, and become superstars at multiplication and division.

Our first day of school is Tuesday, September 5th. Please come with your supplies, a nut free snack and water bottle, and a smile! I can't wait to meet you and to get started on our exciting year together as Sica Sunshines!

Your Teacher,  
Miss Sica
