

Dear Students & Families,

June 2022

Welcome to fourth grade. I am Mrs. Vassos and I will be your teacher this year! We will have plenty of time to get to know each other this year but let me tell you a few things about myself. Some of my favorite things include spending time with my family, teaching, being outside, traveling, and working out/yoga! I am looking forward to getting to know each of you and having fun together!

I'm sure you are wondering what you need for school this year. As you start your back-to-school shopping, please note that most of the needed classroom supplies will be provided for each student. We will also **color code** our material this year to better help us with our organizational skills. **When choosing your 3-subject notebook from the supply list, I have a small request: If possible, please try to get PURPLE.** This will be for reading! 😊 The rest of the supply list is located on my website.

Parents, each classroom will have a Homeroom Parent Coordinator. If you would like to volunteer for this position for our classroom this year, please contact the office over the summer to let them know. Also, if you plan on volunteering or wanting to do any activities in the building with us this school year, please make sure you clearances are up to date.

I am SO excited to see you when school begins! We are going to have an amazing year together! See you soon, my fourth-graders.

Warm Regards,

Mrs. Vassos
