JOURNEY and LEGACY TEAMS

Welcome to 7th Grade at Tamanend Middle School! The teachers on the Journey and Legacy Teams are excited to meet you and guide you through all of the new experiences you will enjoy at Tamanend. We are planning an amazing year! Being prepared is an essential element for success, and we have included a supply list on this letter. To establish successful organizational skills as a 7th grader, we will be using binders to organize notes and other printed materials. **Please remember to follow the directions for preparing your school laptop for the new year!** The Journey and Legacy Team Teachers look forward to meeting you on September 8th.

Please contact Miss Vitacco (Journey Team Leader) or Mrs. Mancini (Legacy Team Leader) with any questions.

Summer Reading

All of the 7th grade teachers know how important it is to read for fun! We are hoping that you had the chance to enjoy a great book over the summer. As we get ready for the school year, be sure to have a good book to read! Your teachers will help you navigate Tamanend's virtual library throughout the year. We can't wait to hear about what you've read, and share our favorite books with you!
