SCHOOL PROFILE 2023-2024

Community

The Central Bucks School District is located 25 miles north of Philadelphia in the heart of Bucks County. CBSD is the third largest school district in the Commonwealth of Pennsylvania and is the largest suburban school district in the state. It encompasses nine municipalities, with the Borough of Doylestown being the largest population center and county seat. District enrollment is just under 20,000 students. CBSD is comprised of fifteen elementary schools (K-6), five middle schools (7-9) and three senior high schools (10-12). CB West's total student enrollment for the 2023-24 school year is approximately 1500.

Curriculum

CB West operates under a block scheduling model, with four instructional periods per day. Courses are classified into one of the following areas: *Advanced Placement; Honors; Academic; or Special Education.*

The first level of study of a world language is offered to students beginning in Grade 8. Career and Technology Education courses are offered at Middle Bucks Institute of Technology (MBIT) starting in 10th grade, with programs including 10 career clusters and 22 career pathways and with options to participate in co-op programs with area employers.

Grades, Weight, and Ranking

CBSD does not report class rank. Grading is on a 4.0 scale. AP courses are weighted by 1.0 (ex: An A is 5.0), and Honors courses are weighted by .25 (ex: An A is 4.25). Ninth grade students, housed in our Middle Schools, may take weighted Honors courses, but do not have access to AP courses.
