Hello! My name is Christine Howell and I will be your child's learning support teacher! This will be my 7th year teaching, and my 2nd year teaching learning support within the Central Bucks School District. I have previously worked with grades K-5 in various school districts in Bucks County, but have spent the most time teaching 3rd grade.

I graduated from West Chester University in 2014 with a Bachelor's Degree in Elementary Education. In 2018, I graduated from Holy Family University with a Master's Degree in Special Education.

I am married to my highschool sweetheart and together we have 1 child, Parker, who was born in December 2019. We also have a Beagle Aussie, Logan, who is energetic as can be!

When I am not at school, I enjoy being with my family, watching Parker grow up and learn new things, reading, and playing board games.
