

## **Welcome to Third Grade**

Welcome to Third Grade at Bridge Valley Elementary! We are looking forward to meeting you and we can't wait to hear about your summer!

In third grade we will be studying many fascinating units. Some of those units include Geography, Life Cycles, People and our Communities, Economics, and the Solar System. We will also continue building on our reading, writing, and math skills. Learning cursive writing, multiplication, and division are just a few of the awesome aspects of third grade.

To help prepare for the start of an exciting and challenging year, you can find a suggested grade level supply list on the Bridge Valley website. Please label all the items with your name and bring them to school on the first day.

We cannot wait to see everyone on the first day of school, Tuesday, September 3<sup>rd</sup>. However, if you want to visit your classroom before, you are welcome to come in for the Open House on Thursday, August 29<sup>th</sup> from 11:00 a.m. to 12:30 p.m. Enjoy the rest of your summer vacation and once again welcome to third grade.

We are looking forward to meeting all of you! Don't forget to keep reading and writing. Keep having a wonderful summer!

Sincerely,

Third Grade Team
