

BIO: SUZANA DAS For CO-PRESIDENT OF BRIDGE VALLEY ELEMENTARY

I am Suzana Das, an attorney, a wife and a mother to our two daughters Anya and Sumaya. My husband, Arif and I are thankful to call Bucks County our home—it's a wonderful place to live and grow as a family. Anya, our first born is in fifth grade and Sumaya is in third grade at Bridge valley Elementary School. I own my law practice and essentially work from home. This has given me the opportunity to be closely involved in the lives of our daughters, their school and the community.

At Bridge Valley, I have served as a Classroom Coordinator and volunteered at the Holiday Boutique, classroom help, etc. I have also been involved in several other boards in my professional capacity. In addition, I have enjoyed the opportunity to volunteer at several organizations like MANAVI, Habitat for Humanity, etc. My experience at Bridge valley has been amazing. I have been touched by many selfless people who give so much of their time and resources to our children. This has inspired me to pursue the role of Co-President, so I have an opportunity to give back in an essential and larger capacity.

Our children are receiving an excellent education and opportunities for learning and growth at Bridge Valley. As a Co-President, I hope to contribute an objective and reasonable voice to the School's mission to promote a culture of academic excellence and personal growth through citizenship, respect, responsibility and collaboration. I want to actively support and serve our teachers and the community and do what is best for our children in all areas to create new opportunities for learning and growth. It will be an honor and a privilege to serve as a Co-President and I look forward to becoming a productive member of the Bridge Valley School Board and community.
