Read below for new class information.... and mark your calendars for registration dates!

The Butler Bear Clubs winter enrichment program was created to provide fun activities to keep kids active during the cold winter months along with providing an opportunity to try new things. We offer a variety of activities including sports, dance, arts and crafts. There are opportunities for all children grades K-6. This is a not-for-profit program that is coordinated, organized and run by PTO volunteers.

Our on-site classes take place at Butler and are held from 4:00-5:00 PM. Children are dismissed directly from their classroom to their club with parent pick-up at 5:00 PM. Our off-site classes run at various locations and at various times and require transportation to and from the class. The program runs for six weeks from 2/3-3/15, unless otherwise noted. Please check the class listing for more details.
