Dear Parents,

The CB West Antler yearbook will contain a special section for **Seniors' Baby Pictures**, which will include a **Color Baby Picture** of the senior and a special congratulatory note from you. This section is in addition to the normal senior portraits that appear in the yearbook. The cost of this option is **\$45.00** and **must be ordered by the Friday November 9th deadline**. This feature is not available online.

Personalization will again be offered as an extra for students.

This additional feature **must be ordered by the Friday November 9th deadline for an additional \$10**. The name will be embossed on the front cover, along with any additional symbols you choose from the selection (additional symbols are only available online).

For the entire month of September, we will hold a Back to School special, where books will be only \$70! Don't forget to look for our sales table on Back to School Night!

Extra yearbooks (if available) will be sold for \$85 after distribution at the end of the year. At that point, books will be sold on a first come, first serve basis. We only had a few remaining last year, so reserve yours today!
