ORDER ONLINE!

www.jostens.com

We ask that you please print a copy of your online order for your own records. Thank you!

Dear Parents,

In past years, sophomores and juniors have not ordered yearbooks thinking they would wait until their senior year. As the school year progresses, they become involved in activities or form friendships with seniors when the yearbooks arrive in May, they are disappointed not having a copy of their own. Do not let this happen to your son or daughter. Our yearbook is filled with wonderful memories of the school year!

Personalization will again be offered as an extra for students. This additional feature **must be ordered by the November 10th deadline for an additional \$10**. The name will be embossed on the front cover, along with any additional symbols you choose from the selection (additional symbols are only available online).

For the entire month of September, we will hold a Back to School special, where books will be only \$75! Don't forget to look for our sales table on Back to School Night!

Extra yearbooks (if available) will be sold for \$90 after distribution at the end of the year. At that point, books will be sold on a first come, first serve basis. We only had a few remaining last year, so reserve yours today!

Student's Name (PRINT CLEARLY) _____ Grade _____

Homeroom/Advisory Teacher _____ Room # _____

Please check the appropriate box(es).
