With the official first day of winter on Dec. 21, CBSD families are reminded of district procedures should winter weather impact the school day schedule. You can find all related information on [this webpage](#). If school buildings need to close or operate on a modified schedule due to present or pending weather conditions or any other emergency, the district will endeavor to communicate the schedule change to families as soon as possible. Create a Meal Payment Account for Your Student on MySchoolBucks

CBSD utilizes the online platform MySchoolBucks for school meal payments, making it easy to oversee a child's meal choices and maintain their account balance. **It is important that an account is created for every student, regardless of whether they take part in school meals or not.** You can access MySchoolBucks to view and/or set up an account for your student(s) [here](#). To set up an account, you will need your child(ren)'s student identification number(s), which can be found in the [Parent Portal](#).

Regular School Attendance is Critical for Student Success and Well-Being

As we begin the 2024-25 school year, CBSD wishes to remind families of important information regarding attendance. Pennsylvania's school laws, like Act 138 of 2016 and the updated Act 16, outline what is required for mandatory school attendance and procedures to follow when students are absent or late.
