2024 Turkey Toss Event----Warwick Elementary

When: Monday November 11th- Friday November 15th

Where: During PE/Gym Class

What is the Turkey Toss?

This is an event we do each year to build community support with donations and friendly competition through a challenge in PE Class. All week the students' homeroom class will take donations, and then during their PE Class they will compete in the challenge. All students can participate, regardless of whether they donate or not.

Is there a Reward?

Yes! There are 3 different trophies to be won. One trophy is for the most donations and one is for the competition (K-3 and 4-6 bracket). The winner of the challenge in PE will get to keep the Turkey Trophy in their room for the entire year. The class that raises the most money for donations will earn a different trophy that will stay in their room for the entire year.

Do you have to donate to do the Challenge?

The answer is NO. We understand families might not be able to help, so we never want to force or push. This is an optional donation.

Why do we do it? Where does the money go?

We do it to help our community and support those that might be going through challenging times. The money is used to buy food and gifts to support families during the holidays. When we give back to the community, we build up that community to be even stronger!

New This Year: Limits on Due Dates for Homework and Summative Tasks Near Observances

In past years, the district has notified faculty in the week or weeks prior to religious or cultural observances to ensure they are cognizant of these events when assigning schoolwork. This year, the district has shared a year-long calendar of these observances with faculty and set guidelines on when no homework or summative tasks should be due.

New Safety Protocol Launched with New School Year

All schools in CBSD will be implementing the Standard Response Protocol developed by the "I Love U Guys" Foundation beginning this school year. The SRP provides a framework for handling various emergency situations in schools by emphasizing the importance of consistent, clear communication across all schools and with law enforcement. Create a Meal Payment Account for Your Student on MySchoolBucks

CBSD utilizes the online platform MySchoolBucks for school meal payments, making it easy to oversee a child's meal choices and maintain their account balance. **It is important that an account is created for every student, regardless of whether they take part in school meals or not.** You can access MySchoolBucks to view and/or set up an account for your student(s) [here](#). To set up an account, you will need your child(ren)'s student identification number(s), which can be found in the [Parent Portal](#).

Regular School Attendance is Critical for Student Success and Well-Being

As we begin the 2024-25 school year, CBSD wishes to remind families of important information regarding attendance. Pennsylvania's school laws, like Act 138 of 2016 and the updated Act 16, outline what is required for mandatory school attendance and procedures to follow when students are absent or late.
