New This Year: Limits on Due Dates for Homework and Summative Tasks Near Observances

In past years, the district has notified faculty in the week or weeks prior to religious or cultural observances to ensure they are cognizant of these events when assigning schoolwork. This year, the district has shared a year-long calendar of these observances with faculty and set guidelines on when no homework or summative tasks should be due.

Important District Information

New Safety Protocol Launched with New School Year

All schools in CBSD will be implementing the Standard Response Protocol developed by the "I Love U Guys" Foundation beginning this school year. The SRP provides a framework for handling various emergency situations in schools by emphasizing the importance of consistent, clear communication across all schools and with law enforcement. Create a Meal Payment Account for Your Student on MySchoolBucks

CBSD utilizes the online platform MySchoolBucks for school meal payments, making it easy to oversee a child's meal choices and maintain their account balance. **It is important that an account is created for every student, regardless of whether they take part in school meals or not.** You can access MySchoolBucks to view and/or set up an account for your student(s) [here](#). To set up an account, you will need your child(ren)'s student identification number(s), which can be found in the [Parent Portal](#).

Regular School Attendance is Critical for Student Success and Well-Being

As we begin the 2024-25 school year, CBSD wishes to remind families of important information regarding attendance. Pennsylvania's school laws, like Act 138 of 2016 and the updated Act 16, outline what is required for mandatory school attendance and procedures to follow when students are absent or late.
