

Dear Third Grader,

We hope you have a wonderful summer. We are looking forward to working with you in third grade and to a new school year that is sure to be filled with fun and excitement!

Some of the exciting units you will study in third grade include Cultural Diversity, Economics, Life Cycles, Motion, and the Solar System! You will also learn cursive writing, multiplication and division. Keep practicing your addition and subtraction facts!

As you prepare for the beginning of the school year, we would like to provide you with a list of school supplies that you will need. Since some parents like to begin shopping before teacher assignments are posted, we have identified those supplies that will be needed by all 3rd grade students. We are looking forward to a **GREAT** school year!

**Sincerely,
The Jamison 3rd Grade Team**

General Supplies for ALL Third Grade Students

Please label your child's name/initials on everything (even pencils) so that we can help the children manage their supplies! A super fine tip Sharpie is great for this.

- 24 (or more) regular #2 pencils (NO mechanical or push-up pencils please)
- 5-10 red marking pens
- 1 container of disinfecting wipes – additional containers are appreciated
- 1 large pencil case/bag with a zipper for desk (no boxes please)
- 2 large glue sticks (FYI...Elmer's brand seems to hold best)
- 1 ultra fine and 1 fine tip BLACK Sharpie marker
- 1 set of colored pencils
- 2 yellow highlighters
- 1 family sized tissue box
- 3 sets of Expo2 Dry Erase markers (Expo 2 are **low odor** markers) and an eraser.
- 4 pocket folders
- 1 Vinyl/Plastic pocket folder for homework
- Scissors
- Headphones or ear buds to use with computers
- 1 Marble or other type composition book

We may be asking for additional supplies at the middle of the year to help replenish some of the supplies that have diminished or those that need to be replaced.
