THROUGH THE YEARS

- You will work with a school counselor & administrator all 3 years.
- A faculty Class Advisor will work with students to plan activities.
- 30 Faculty Members will support students during Titan Forum each day.

Titan Forum serves as a home base for students and takes place for 10 minutes on almost every school day. Students stay with their Titan Forum for all 3 years, along with their Mentor. This is also where students will be introduced to Success Plan 10, 11, and 12.

SCHEDULING CONSIDERATIONS

All sophomores should schedule the following

*English 10 1 credit	Social Studies 1 credit
*Biology 1 credit	Mathematics 1 credit
Wellness / Fitness ... 0.5 credit	

Required Graduation Credit Distribution

Subject	Standard Diploma	MBIT/Standard Diploma	Scholar's Diploma
English	4.00	4.00	4.00
Mathematics	4.00	4.00	4.00
Science	2.00	2.00	3.00
Biology	1.00	1.00	1.00
Social Studies	4.00	4.00	4.00
World Language			2.00
Electives	10.75	11.25	8.75
PE/Health	1.00	.50	1.00
Performance Assessment	.50	.50	.50
Total Credits	27.25	27.25	28.25

A minimum of one credit per year is required in English. Please refer to the graph in the subject section of this guide for the courses that will meet these yearly requirements.

Students are eligible to receive a Scholar's Diploma at graduation if they meet the following criteria by the end of Senior year: 1) a 3.4 cumulative GPA; 2) completion of 3 AP courses; 3) completion of 3 science courses in addition to Biology; and 4) completion of two World Language courses.

In Central Bucks School District, we follow state guidelines that allow up to one credit from Computer Science courses to be used to fill your graduation requirements for mathematics. The Computer Science courses that may be used for one of the math credits include Introduction to Computer Programming (0.5 credit), Introduction to Java (0.5 Credit), AP Computer Science A (1 credit), or AP Computer Science Principles (1 credit).

Electives include all subject areas. When a requirement in a specific area has been satisfied, any additional courses taken in that subject area will apply toward the Elective credit requirement. For example, if a student completed 4 credits in science the last course taken applies to the Elective requirement.

In accordance with state regulations for high school graduation requirements, beginning with the Class of 2022, students must demonstrate proficiency on the Keystone Exams in Literature, Algebra 1, and Biology.

*Teacher-approved level changes by the last day of 9th grade. Teachers are not available to recommend or approve schedule changes in summer before tenth grade.

Confirm with your 9th grade counselor he/she has been notified by your teacher and that the change has been made!

9TH GRADE COUNTS!

**The grades earned
in 9th count just as
much toward your
cumulative GPA as
10, 11, or 12.**

**Students must make
the effort now so
that they won't have
to make up ground
in later years.**
