## **Boomerang Nomination Form**

The Boomerang Youth Recognition Award is a district-wide monthly program which recognizes and honors youth in our community for exemplifying and living by one of the chosen Developmental Assets<sup>®</sup> for the school year.

Each year, more than 1,000 elementary, middle, and high school students from Central Bucks School District are nominated for the Boomerang Award. District winners serve as a model to all students in the district, receive school recognition, and are announced in the *Bucks County Herald* and the *Backpack Newsflash*, a monthly publication of CB Cares

EF that is distributed to all CBSD children.

Anyone can nominate a student for the Boomerang Youth Recognition Award. Submit your nomination to the student's school Boomerang coordinator, listed on cb-cares.org/what-we-do/boomerang-youth-recognition-award.
