L & L Update

CB Cyber

What is a CB Cyber Course?

- Taught by current **CB teachers** using current **CB curriculum**.
- Class is **asynchronous** with ample opportunities to meet virtually or in-person with the teacher and peers.
- Offered during **first block** of the high school schedule in the 2022-2023 school year.
- Work can be completed during first block or anytime that works for the student that day.
- Content delivered through **Canvas**.
- Students may work from home or school during first block. If a family chooses late arrival, they must provide their own transportation.

Asynchronous cyber courses give students options and flexibility in their schedule.

Look for these online courses in the Program of Studies booklet

Adult Living
Algebra 2/Trig
AP Microeconomics
Creative Writing
Digital Imaging

Global Relations
