

Hi, I'm MISS KREPPEL!

I am beyond excited to be your teacher this year! We are going to be **explorers, adventurers, team members** and individual thinkers throughout all the learning we will do together!

My background

I graduated from West Chester University with certifications in Elementary Education and Special Education. In 2020, I earned my Master's in Reading from Holy Family University and became a certified Reading Specialist. Most recently, I completed my Master's in Educational Technology from Wilkes University in 2025. Throughout my career, I've had the opportunity to teach second and third grade at Doyle, Bridge Valley, and Butler. *Words cannot express* how **happy** I am to teach at Warwick and to be a part of the third-grade team!

Get ready!!!

GET READY to become part of a **team** when you enter our classroom! We will be spending a lot of time together, so it is important to know that we all are working towards the **same goal**... success! I know that each of you have a *different* brain, which means that you think and learn *differently*. It is my job as a teacher to help you **GROW** as a learner and as a person of **good character**.

THIRD GRADE squad

You will learn all about my family this year! I am planning a wedding for August 2026. We have a super silly dog named Franklin and two cats named Remi and Pickles. We expanded our family on November 29, 2023, with our beautiful baby boy, James Parker.

I love summer! Cape May, New Jersey is my home away from home. To me, there is nothing better than being on my dad's boat on the Chesapeake Bay at sunset. I also love sports and crafting. I am a busy bee, and always on the go! I look forward to hearing about your unique summer and learning more about YOU!!!

I am **exploding** with excitement and cannot wait to meet you! Get ready for a fantastic, fun-filled year full of learning and growing together!

Sincerely,
Miss Kreppel
