## ABOUT ME

My two children, Ryan (18) & Jillian (15) and I live in Doylestown with our cat, Marble. My son will be a freshman at Penn State and my daughter will be a 10<sup>th</sup> grader at CB West. I love to spend time with my entire family. I enjoy exercising and watching my kids' sporting events. Each summer we retreat to my favorite spot, Lake Winnepesaukee, in New Hampshire. I love being by the water and enjoy paddle boarding and any kind of boating. Being by the lake and with my family makes me smile. 😊

## A NOTE FROM YOUR NEW TEACHER

I am so happy to be your 6<sup>th</sup> grade teacher! This will be a big year for you. We will climb the mountain together. I can't wait to meet you and get started! Enjoy the rest of your summer!
