

Welcome, Welcome, I'm glad you're here!
We are going to have a wonderful year!
We will draw and we will write...
We will sing and we will play,
and we will learn new things...
each and everyday!
There's lots to learn,
and fun things to do...
It should be awesome...
for a special kid like
YOU!!!!

I hope you have had an amazing summer! I cannot wait to hear all about it and share all about mine!
See you soon, my kindergarten friend!

Love and Smiles,

Mrs. Romano
