

Meet The Teacher

Hello, my name is **Mrs. Martin** and I am going to be your fifth grade teacher this upcoming school year. I am so excited to be a part of the Pine Run family with each one of you. Before coming to Pine Run, I began my career teaching in a first grade classroom where I worked with Dr. Mumford. After that, I taught second and third graders for many years. Once I had my two children, I became the RtI teacher at Barclay Elementary. This position allowed me to work with many different students throughout all the grade levels. In 2015, I was fortunate enough to become a 5th grade teacher at Pine Run.

Contact Me:

Maintaining parent-teacher communication throughout the school year is key to student success.

The best way to reach me is through my email at smartin@cbsd.org.

My phone number is [267-893-4450](tel:267-893-4450) ext. 4469.

Fifth Grade is an exciting year, and I cannot wait to explore, learn, and have fun together.

Education:

Education is very important to me. I graduated with a bachelor's degree from Penn State University. In 2009, I earned my master's degree in Elementary Education. After that, I became a writing fellow from the Pennsylvania Writing Institute.
