

Dear Parents & Families,

Welcome back to Pine Run Elementary School! I would like to introduce myself as your child's teacher for the 2023-2024 school year. Since I will be spending a great deal of time getting to know you and your child, I thought it would be important for you to have some background information about me. I earned my Bachelor's degree in Elementary Education/Special Education from Temple University. I am currently in school to receive a Master's degree in Education, with an endorsement in Autism, from Holy Family University. After graduation, I worked as a building Substitute as well as a TSS providing 1:1 behavioral support to children with Autism in a Charter School in Philadelphia. After having my children, I took a position as a teacher at a Private School for children with Autism in Montgomery County, PA where I taught in an Autistic Support classroom for 10 years. I joined the Central Bucks School District in December 2022 as the Intermediate Autistic Support teacher at Pine Run Elementary.

My husband and I have two boys (Jacob, 9 and Jackson, 7). We also have a very energetic puppy, Molly. We enjoyed summer days filled with trips to the swim club, many local park adventures, family vacations, and a lot of family time at the beach visiting my home!

I am thrilled to be working with your child during the 2023-2024 school year! The first day of school for students is Tuesday, September 5, 2023. If you have any questions, comments, or concerns that you would like to discuss, please feel free to contact me at cteszner@cbsd.org. I look forward to seeing and your child in September!

Sincerely,

Christine Teszner
