

Dear Gold Card member:

Welcome to another year of Gold Card Club benefits! We are happy to share information with you about our student music and theatrical performances for the school year. Enjoy!

## The benefits of Gold Card membership:

- Gold Card Club membership entitles you to attend any CB home athletic event or musical concert without charge.
- Gold Card Club Theater Performances are free of charge to Gold Card members.
- Tickets to other theater performances are available to Gold Card members 10 minutes before the show begins, but in some cases the show may sell out by that time.
- Some musical groups ask for donations, but these are not mandatory.

To register as a new Gold Card member, or to obtain a replacement card if yours has been lost, please visit our Administration Center at 20 Welden Drive in Doylestown.

Call 267-893-2000 for directions to the building.

---

### Please note:

- The district no longer requires existing Gold Card members to renew their Gold Card every year.
- The most updated school year performance dates will be located on the district website under Community Relations on the Gold Card page.
