Policies

Attendance Policy

Children must be signed in/out every day by an adult using their designated PIN#'s, as a requirement of the C.B. Child Care Program. Children's attendance schedule must be reported in advance by calling the child care site. Children will only be released to guardians and emergency contacts listed on the Registration Form. A photo ID will be required. If any doubt exists, the child will not be released into the person's custody and the parent will be notified.

Absences must be reported to your Child Care site directly. Numbers for each site are listed in the front of this brochure. If your child is expected and does not report, staff will take immediate action to locate the child. If that fails, the authorities will be called to locate your child. If the authorities have to be contacted twice in a school year, participation in the program will be terminated.

Sick Policy

If your child is sick they are not to attend the Child Care Program. A child's absence due to hospitalization can be credited. In this case, a physician's note should be submitted to the Child Care office.

Toileting

If a child requires toileting assistance, prior approval is required.

Non-Custodial Parents

The Child Care program will provide the non-custodial parent with access to their child's records and other related information. If there is a **court order** specifying that there is to be no contact with the child, it is the responsibility of the custodial parent to provide the Child Care program with a certified copy of the court order.

Homework Policy

Each child care program will provide a time and place for homework. We encourage homework be reviewed by parents for accuracy. Homework time is based on Central Bucks School District guidelines.

***Tutor's and Tutoring is prohibited in the Child Care program.**

Policies (cont'd)

Emergency Information Policy

As a requirement of the Department of Public Welfare, The parent will authorize that the Child Care program will follow procedures for the safety of the child by signing the Parent Agreement Form. All emergency information must be completed prior to admission.

All children must have a "local" emergency contact (*other than Parents*) on file including phone and address. We will always attempt to reach parents first in the case of an illness or accident. The emergency contact will be called if we cannot reach either parent.

In the case of an accident, the parent is contacted. Once the accident is assessed, the proper emergency procedures are followed (administer first aid, obtain emergency medical care, or transfer to the hospital). The Child Care Program will keep the child comfortable until the parents arrive. The staff will complete an accident report to be submitted to the Child Care Office.

It is the responsibility of the parent/guardian to inform the Child Care Office of any changes.

Current phone numbers are essential in the event of an emergency.

Policies (cont'd)

Health Assessment (Physical)

The Child Care Program will be following the Health regulations mandated by the Central Bucks School District.

A current physical/immunization record signed by a physician is due at the initial entry into the Program and then again entering 6th grade.

The Child Care program must be alerted to any special health and/or medical conditions concerning the child and any disabilities or special needs identified for the child.

Medication Policy

The Child Care program abides by the medication policy established by the Central Bucks School District. As a legal requirement: The Parent must supply the **medical dispensing form/action plan**, signed by a physician, and the **medication log**, signed by the parent, and must be accompanied with medication that is to be administered to a child in our Program. The Medical Dispensing form is to be used for prescription and non-prescription drugs.

***Medication must be in the original container.**

The school nurses are not on duty during our child care hours.

Inclusion Policy

In order to support your child in our child care program we will be requesting copies of IEP's. (Individual Education Program) and will be meeting with teachers and guidance counselors to continue quality improvement. All students will leave the school by bus, picked up by parent/guardian, or walk (as chosen on the parent agreement form). Announcements, with respect to early dismissal, will be made as broadly as possible (text, email, web site, phone chain, etc.).

Behavior Guidelines:

We cultivate a positive social climate where relationships can be built among peers, staff and students. We believe that effective management of behavior starts with rewarding the appropriate behaviors while also intervening with consequences that are directly related to the inappropriate behavior. Our rules coincide with the rules of the School.

Our Program:

- ♦ Focuses on positive behavior
- ♦ Recognizes children for appropriate behaviors
- ♦ Promotes and Fosters social skills and interactive play
- ♦ Provides clear and concise expectations visibly posted and verbally
- ♦ Provides adaptation for individual needs when necessary
- ♦ Post daily schedules for predictable routines

Parent Behavior Expectations:

With Children: At no time, should a parent attempt to approach a child or attempt to discipline/discuss any situation that may have occurred. Parents must confer with the coordinator or Supervisor about any concerns they have regarding other children.

With Staff: Parents should respect the staff and have positive communication at all times. Any threatening tone will not be tolerated and could be subject to staff calling the authorities.

*See Disciplinary Policies on the following pages.

Disciplinary Policies

Discipline is a joint effort on the part of the staff, child, and parent.

Prevention of Behavioral Problems

Staff will teach and reinforce appropriate social and behavioral skills to help decrease problem behaviors and foster a positive climate. Each program develops expectations for appropriate behavior in the Child Care Program.

Program's Concept of "Disciplinary Problems"

A serious disciplinary problem is defined as one in which a child is hampering the smooth flow of the program by either requiring constant one-on-one attention, inflicting physical or emotional harm on other children, physically or verbally abusing staff, or is unable to conform to the rules and guidelines of the program.

Disciplinary Exclusion Policy

Participation in the Child Care program is a privilege. The Child Care program reserves the right to exclude any child from the program for any inappropriate behavior. Tuition paid in advance will be refunded.

Procedures to Deal with Disciplinary Problems

1. Assess the program to see if any of the child's needs are being overlooked.
2. Assess the physical environment, including activities, schedules, and social groupings to see if any of them can be adapted to help improve the child's behavior.
3. Assess the way expectations (rules) are being explained and the types of consequences that are in place for the inappropriate behavior.
4. A conduct report based on "Central Bucks Disciplinary Procedures and Responsibilities" will be discussed with the child and family using three levels of misbehavior.
5. Ongoing informal communication with families and at least one formal conference with the program coordinator seeking their help in moving the child toward successful participation.
6. After utilizing all the above procedures, parents will be informed that the staff will document subsequent incidents. There will be communication with school personnel as an effort to resolve the child's behavior problems. (if permitted by the family)
7. A contract addressing specific behaviors and their specific timetables indicating that failure may lead to termination by a specific date determined by the program coordinator.
8. Termination, in the event that none of these strategies are successful.
