Local Lunch That Fuels Success

Apple-solutely delicious and locally grown! We're so excited to partner with Solebury Orchard, a local farm right here in Central Bucks County! We recently visited them and were so impressed by their commitment to quality and their dedication to employing local students. Serving these fresh, local apples to our students is a slam dunk for healthy eating and supporting our community!

Lunchtime Kickoff

Go Birds! 🐦 In the lead-up to the Eagle's big game in New Orleans, right here at Central Bucks, we celebrated with a special feast in the cafeteria. From Philly cheesesteaks to, waffle fries, a wing bar, and green-sprinkled cookies, we had it all! Our team joined in the fun, sporting their Eagles gear and cheering on our champions. Congratulations, Eagles – Super Bowl LVIII Champions!
