

# Welcome to Kindergarten!!

## 2024-2025

Dear Kindergarten Parents,

My name is Juliette Camburn and I'm thrilled to be your child's Kindergarten teacher for the 2024 - 2025 school year. This is my 7<sup>th</sup> year teaching Kindergarten. I have taught in Florida and here at Butler Elementary.

I am so excited to meet your children at the beginning of the school year and wanted to introduce myself a little so we can get to know each other. I am originally from New York and have lived in six states. Pennsylvania is my favorite! My family and I live in Newtown. I have two inspiring daughters who are 13 and 16 and my reason for everything I do. We love growing food, cooking, doing puzzles together, watching movies and being active outdoors. I also love knitting and crocheting.

I graduated, with my Masters of Education, from Kutztown University, summa cum laude. My love for working with children started when I was teenager in high school and worked as a YMCA camp counselor. Later in life, when I became a parent, I discovered my passion for inspiring little learners; both my own children and those in my community. Being a teacher is my greatest passion. Students inspire me every single day to be my best self. I can't wait to see how the students and I will inspire each other this school year to try our best!

I hope you are having an amazing summer! I'm looking forward to meeting you soon. Encourage your children to bring their biggest Butler Bear smiles!

Kind regards,  
Mrs. Camburn
