## Welcome to 1st Grade!

I am very excited to be your child's teacher this year. First grade is such a special time for students to grow both socially and academically, and I look forward to a wonderful year together!

## A Little Bit About Me

When I'm not teaching, I love to swim, read, and take long walks at Lake Galena. My favorite place in the whole world is the beach. My husband Mike is also a teacher, and he teaches sixth grade. We have three children. Ryan (25) lives in Seattle, Matthew (22) just graduated from George Washington University, and Mia (18) will be starting nursing school at West Chester University in the fall.

## My Favorites

**FOOD:** Sushi  
**COLOR:** Pink  
**TEAM:** Eagles  
**STORE:** Target  
**DRINK:** Coffee

## Educational Background

I have a BA from Eastern University and an MA from Holy Family University. This is my 7<sup>th</sup> year at Butler. I have taught both first and second grade, and this is my fifth year in first grade. I truly love this age and stage of learning.
