

Dear Second Grader,

Welcome to second grade! My name is Ms. Rudolph and I will be your Second Grade teacher. I am very excited to have ALL of you as part of my class and I hope you are just as excited to be in second grade because second grade rocks!

In second grade you will make new friends, learn so much, and have a lot of fun! We will read and write many wonderful stories, poems, and letters. We will learn multiplication, telling time, and counting money. We will also learn all about our community, rocks and minerals, and habitats. We will play learning games, do science experiments, and use iPads!

Let me tell you a little bit about myself. I LOVE teaching! I have been at Butler for the past 27 years! During that time, I have taught kindergarten, first and second grade. I love second grade! I love to read, and I can't wait to share books with you. I also love football (go Eagles!), baseball (go Phillies!), hiking, camping and going to the beach! I love to run and ride my mountain bike! Over the summer, I run or ride my bike almost every day and I enjoy exploring new places! I can't wait to tell you all about my adventures when I see you.

I have five children of my own! My oldest, Chloe, is 25 years old. She lives and works in New York City. Chloe loves to read and travel. My two older boys are named Brad and Jake. Jake is 20 and works and go to Bucks County Community College. He loves computers, video games and spending time with his friends. Brad is 22 and will be starting his senior year at The University of Pittsburgh, where he is an engineering student. Brad loves music and traveling. My youngest daughter, Rachel, turned 14 in July and will be starting high school soon. Rachel loves music, drawing, cats and swimming. The youngest member of our family is Gabe. He will be 13 next Halloween. Gabe loves basketball, soccer, video games, and the beach. We also have two cats (a brother and sister pair) named Daisy Aaron and Darby Zack. They are the purr-fect addition to our family!

I can't wait to learn all about you, your family, and what you like! I look forward to seeing you in September!

Your Second Grade Teacher,

Ms. Rudolph
