

Dear 4<sup>th</sup> Graders,

Welcome to 4th grade! I hope that your summer is going well and that you are getting ready for a new school year. We are going to have a lot of fun learning new things together. I am so excited to meet you. Please complete this [Student Information Form](#) so I can get to know you better.

Here is a little bit of information about me. I grew up in Minnesota and graduated from St. Mary's University of Minnesota with a bachelor's degree in elementary education. After graduating, I volunteered at a school on the Navajo Nation in Northern Arizona for 2 years and then earned my Master of Education degree in Special Education from Arcadia University. I have been working in the Central Bucks School District since 2005 and have taught multiple grade levels. When I am not in school, I enjoy going to the beach, spending time with my family, watching my daughter, Grace, play soccer, and my daughter, Madelyn, perform in her school musicals.

The first day of school is **September 2, 2025**. There are a few things that you will need to bring to school with you, so please be sure to check the [supply list](#). Please also complete this [Dismissal Plan Form](#), so I know how you will be going home from school each day.

Enjoy your last few weeks of summer! If you have any questions or concerns between now and the first day of school, please feel free to reach out to me [bsmith@cbsd.org](mailto:bsmith@cbsd.org).

See you soon!

Mr. Smith
