

WELCOME TO 5TH GRADE!

August 2024

Dear Students and Families,

I want to extend a warm welcome to our 5th grade class! I am eager to start the new school year and to begin building our learning community together! 5th grade is an exciting year, full of new challenges and new experiences. We will all learn and grow so much from September to June, and I'm thankful that I get to be a part of your educational journey.

I am relatively new to Butler, so let me tell you a little bit about myself! I have been a teacher for 13 years. I have my B.A. in Psychology, my M.Ed. in Counseling Psychology, my M.A. in Education, and my Ed.D. in Educational Leadership. Before I was a teacher, I worked for 3 years as a licensed mental health counselor for a nonprofit agency in Dallas, Texas. However, I soon realized that my true passion was in teaching! I taught 1st grade for two years before moving back up to Bucks County, where I was born and raised. I then taught 4th grade and 2nd grade in the Penridge School District, where I remained for 11 years. In 2023, I decided I wanted to teach in the Central Bucks School District. I am a graduate of CB schools, and my children attend CB schools as well. I spent most of the 2023-2024 school year here as a long-term substitute in 1st grade and now I am thrilled to be making my permanent home at Butler teaching 5th grade!

When I'm not teaching, I'm busy keeping up with my family and all their activities! I share 2 boys, ages 12 and 8, and my 2 stepchildren, ages 17 and 14, with my husband, Jason. We also have a cat and a dog at home! We love to spend time at the Chesapeake Bay, down in Cape Charles, Virginia. I look forward to learning more about you and your family, and your summer adventures!

Sincerely,

Mrs. Sarah Teeple
