Name _____   Date _____

Unit 9: Variables, Formulas, and Graphs

Skills	I can do this on my own and explain how it works. (Secure)	I can do this on my own. (Developing)	I can do this if I have help or look at an example. (Beginning)	Explanation/ Examples/ Notes
I can evaluate expression and formulas				• Workbook Journal Page 343 • Unit 9 Review #32, 33, 34
I can simplify expression and equations				• Study Link 9.3, 9.4, 9.5 • Unit 9 Review #5 to 9
I can solve equations				• Study Link 9.5 • Unit 9 Review #10 to 13
I can use formulas to solve problems				• Study Link 9.11 • Unit 9 Review #14 and 15
I can use formulas to solve perimeter, area, and volume				• Study Link 9.9 and 9.11 • Unit 9 Review #1 to 4; 16 to 31 • Formulas will be provided

See back of Sheet

Unit 9: Variables, Formulas, and Graphs

Skills	I can do this on my own and explain how it works. (Secure)	I can do this on my own. (Developing)	I can do this if I have help or look at an example. (Beginning)	Explanation/ Examples/ Notes
I can use the below vocabulary terms. - Cell - Distributive property - Equivalent equations - Formulas - Hypotenuse - Legs of a right triangle - Pythagorean Theorem - Simplify - Square number - Square root of a number
