

# 6TH GRADE

August 1, 2024

Dear 6<sup>th</sup> Grade Student,

Hello, and welcome to 6<sup>th</sup> grade, your last year at Butler! My name is Mrs. Maduzia, and I am so excited to be teaching 6<sup>th</sup> grade and I am REALLY excited to have you in my class! This is my 13<sup>th</sup> year in Central Bucks School District.

Let me tell you a little bit about myself. In 2005, I graduated from Shippensburg University with a Bachelor of Science in Business Administration, Marketing. Before I became a teacher, I worked for an IT consulting company for seven years. However, following a true passion of mine, I enrolled at Immaculata University, in 2010, to pursue my Elementary and Special Education teaching certificates. I also attended Cabrini University where I obtained my Masters with a Reading Specialist Certification, learning lots of great reading strategies for our Classroom!

When I am not in the classroom, I enjoy spending time with my husband and our three sons, Radison (7), Nash (5), and Maclin (3). This summer, we spent our time swimming, biking, and hiking. The boys took swim lessons and went to some CB West summer camps. Camping is one of our favorite family activities and we love exploring new places each summer. Stay tuned for something fun in the mail from our most recent adventure!

My wish for you, my new 6<sup>th</sup> grader, is to become captivated by books, learn to write like authors, master mathematics like true mathematicians and prepare for your time at the middle school.

Enjoy your summer and be sure to get outside and enjoy the beautiful weather! Also, don't forget to read some great books and practice some of the math concepts you learned last year in 5<sup>th</sup> Grade. I cannot wait to see you in a few short weeks!

Sincerely,

*Mrs. Maduzia*

5<sup>TH</sup> GRADE

Nash
