

Hello students and families,

My name is Miss Montana and I will be your sixth-grade teacher this school year! I am so excited to return to Butler, not only after my time in fifth-grade last year, but as some of you know, I was once a Butler Bear myself! I am eager to get to know you and help you grow as learners!

Since graduating from West Chester University, I have spent my time in the Central Bucks School District community, working with students of all grade levels and abilities. Sixth grade has a special place in my heart as this is the year I looked forward to most as a Butler Bear. In sixth grade, there are exciting team-building experiences, many **opportunities** to develop both your academic and extracurricular skills, and new challenges to navigate.

I look forward to developing **strong relationships** with you to support your journey through sixth grade. During the first few days in class, we will spend time getting to know one another, participating in **community** building activities, establishing **classroom goals**, and modeling appropriate routines and procedures. On the first day of school, please bring a picture of your family or loved ones and an independent reading book.

I value an open line of **communication** between myself, the students, and their families, so please do not hesitate to reach out with any questions, concerns, or updates. My goal is to **work together** to ensure a successful and enjoyable school year for all. Please stay tuned for upcoming events, important dates, and opportunities to get involved. I look forward to an amazing school year and cannot wait to meet you all!

Sincerely,

Miss Montana
