June 10, 1752 10:18 pm

What an ELECTRIFYING experience! I would love to say more, but I must go record my findings in my journal. I'll message you later!

June 10, 1752 8:49 pm

Please message me later and tell me what you find out! It sounds intriguing.

June 10, 1752 8:42 pm

Lightning is exactly what I am hoping for! I'd like to see if I can prove a theory correct.

June 10, 1752 8:37 pm

Ben, that experiment sounds dangerous! I saw some lightning earlier. Are you sure it's safe?

June 10, 1752 8:32 pm

I'm about to head out into the thunderstorm tonight with my kite to see what I can discover!
