

# DOYLE

## ELEMENTARY SCHOOL

Dear Sixth-Grade Students,

We cannot wait to get back to school, and we hope you are excited too! It certainly has been a unique summer for all of us.

We are thrilled to be your teachers for your final year at Doyle! This year as a sixth-grade student you will be experiencing more independence than ever before. We are especially delighted that you will be receiving your own laptop that only *you* will be using. This will allow learning to be more interactive, varied, and fun! You are the new innovators carving a new trail for future Doyle Eagles!

Here is a little bit about the sixth-grade team:

**Mrs. Cirulli** Splash!!! I have been spending a relaxing summer in the pool with my two golden retrievers, Abby and Callie, as well as my husband, Nick. The two furry ones are quite the swimmers. I've also enjoyed visits with my daughter, Kaitlin, and son, Nicholas. Working on some house projects—rooms and rooms of painting—has definitely been a goal this summer. Thank goodness you won't see me when I have my painting clothes on. I'm quite a sight! Investigating new trails to walk the pups has been a great adventure, and getting lost in good books has been a must 😊.

**Mrs. Doyle** Ahhhh, summer! I love the extra time with my husband, Dennis, and our two children, Sebastian and Nolan. You'll find us all in our favorite place, the backyard, exploring the variety of wildlife, playing sports and water games, picking veggies from the garden, taking advantage of the hammock, and gathering around the fire pit enjoying smores. Going for bike rides and taking our dog, O'Malley, for a walk is a daily occurrence. I have been channeling my inner fixer-upper as I paint and decorate my dining room. Sebastian and Nolan are also making plans for bedroom make-overs. Oh, boy! I love cooking and trying new recipes, and I end each day by snuggling up with a good book. I look forward to hearing all about your summer reads! 😊

**Mrs. McPhee** Well, this has been quite a different summer than what I'm used to. There were no vacations to different countries, no trip to Florida to celebrate my mom's 94<sup>th</sup> birthday, and no going to eat at restaurants—which is my FAVORITE activity! But trying to find the silver lining of things, I have totally enjoyed making new foods, playing with my doggies in the pool (my golden retriever is awesome at jumping into the pool to fetch the ball), and sitting on the front porch watching the construction on our road being

completed. Don't get me started about my three granddaughters unless you have plenty of time to listen to me brag about them! And guess what? I'm getting another granddaughter in October! Woohoo!

**Mr. Romeo** Hello 6<sup>th</sup> Grade Doyle Eagles! I have been trying to make the most of this summer, spending time with my family and a few friends. I was happy to make it to Ocean City, New Jersey this Summer, which is my favorite place on earth. I enjoyed the hot sun, cool water, and of course some soft served ice-cream at Kohr's Bros! On summer nights you will catch me sitting around a fire, fishing, or watching my favorite baseball team-- the New York Yankees. I also spent some time golfing where I spent more time looking for my ball in the woods than I did on the course. I am so excited to meet all of you, and I hope you enjoy the rest of your summer!

**Miss Lynn** I have been making the best of my summer so far. I am keeping busy with teaching at the Extended School Year Program and taking online graduate classes. During my free time, I enjoy being with my family, friends, and dogs, Monty and Milo. On cool summer nights, you can find me taking long walks around Bucks County. You may even see me around Doylestown! I hope you have a wonderful rest of your summer, and I can't wait to see you at the start of the school year!

Please be sure to read the sixth-grade supply list found on the Welcome Page of the sixth-grade School Wires site. Everyone will need these items for the first day of school.

Enjoy the rest of your summer, and let's make your last year at Doyle wonderful. See you on Tuesday, September 8!

Warmly,

*Mrs. Cirulli, Mrs. Doyle, Mrs. McPhee, Mr. Romeo, and Miss Lynn*
