

Hello 6th Grade Students and Families,

I am SO excited to be your 6th grade teacher at Doyle Elementary! It is going to be a great year! Since I am new to Doyle, let me tell you a little bit about myself.

I grew up in New Jersey, I went to school and played soccer at Villanova. I have coached all ages from pre-school to high school in soccer and basketball and other sports. I coached pre-school sports at the Y when you were pre-school age. So if you took classes at the Y in pre-school, I may have been your coach ☺ I am also the mom of 4 wonderful children-Jack is a sophomore at Pitt, Ella is a 12th grader at West, Abby is a 9th grader at Lenape and Joe is a 5th grader at Linden. I am new to Doyle but not new to teaching as this will be my 13th year teaching. I taught 1 year of high school in New Jersey, 10 years of elementary school in Georgia and 1 year in Central Bucks at Mill Creek and Kutz. In between those years of teaching, I was an Educational Assistant at Butler Elementary in Reading Support and an Instructional Assistant in New Hope Solebury Lower Elementary School.

In my free time, I like to run with friends, play sports, read a good book and spend time with my very active family and our dog, Duke. We love to go to the beach together, take our boat out on a lake, have family game nights or play Spikeball, Crossnet or Pickleball together outside. And of course we love to spend time in our great town of Doylestown.

6th grade is an amazing year! You are the leaders of your school and getting ready to take the leap to middle school. Together, we will read some great books, solve challenging math problems, gain confidence and independence, and have a great time while doing all of it. You will make some wonderful memories while you strengthen old friendships, make new ones and enjoy the last year at your fantastic school, Doyle Elementary. I can't wait to meet you, learn all about you and get this year started!!

XO,
Mrs. Denicore
