

Hi!

I'm Mrs. ChamBley

I am *thrilled* that you will be in my class this year! We are going to learn so many new and exciting things together. This is my *twentieth* year of teaching at *Mill Creek Elementary School*. I have taught fifth grade for all but 4 of those years so I think you can infer that I *love* Fifth Graders! I think it is the best grade ever! We get to *learn* about The Revolutionary War, Weather, Long Division, and lots more!

I am very passionate about teaching all subjects, though *Reading* is my "FAV," and I enjoy using *technology* as much as I can. In fact, I encourage you to even use technology during our *Reading Class*. We will explore audio books, e-Readers, book blogs, and much more!

I also think it is very important to work *together* as a classroom family. We will be spending a lot of time together, so it is important to treat each other with respect, *kindness*, and compassion. I know that *each* of you have a different brain, which means you *think* and *learn* differently. It is my *job* as your teacher to help you grow as a learner and as a person of good *character*.

Want to know a *little* about me? When I'm not grading papers or planning lessons, you can *find* me playing with my two children, Finn (who is 15) and Annie (who is 12). I absolutely love reading anything and everything. My husband Scott and I are very into music and go to a lot of *concerts*. I grew up in a large family. I am the *youngest of six children* and have 14 neices and nephews! Did you know that I went to high school only about twenty minutes away from Mill Creek, at Gwynedd Mercy High School? I also graduated with my Undergraduate and Master's Degrees from *St Joseph's University* in Philadelphia!

I can't wait to see *you* on Tuesday, September 3rd. Bring your school supplies and a smile! I have a *fun* first week of school planned for *you*! Enjoy these last few days of *summer*!
