Dear Third Grade Parents,

Welcome to Room 206! I am delighted to have the opportunity to work with you and your child during this new school year. There is so much to learn and discover in third grade. I am sure that you will be amazed as you watch the changes in your child as he or she becomes more independent. I am confident this will be a successful year for your child, and I can't wait to get started!

Attached you will find a supply list. I will be providing most of the supplies, but there are a few things that I ask your child bring with them the first week of school. We are a flexible seating classroom. Our supplies will be shared supplies. Thus, when buying supplies, I recommend getting the regular version of the item. If you have any questions about the items on this list, please do not hesitate to reach out.

I am so looking forward to getting to know each student and supporting them in their learning. I would like to invite you to share with me a little about your child by writing me a note describing him or her as a learner and as a person. Please include anything that you feel is important for me to know (your child's interests, hobbies, etc.). I ask that you either email them to me or send them in with your child. I appreciate your participation in your child's education, it truly makes a difference.

Sincerely,

Mrs. Kim Peka
