

Dear Zeolinator,

Hello! I'm so excited to be your 5th grade teacher. It's going to be an awesome year full of fun friends, new adventures, & daily discoveries. Over the summer I visited some cool places! I cannot wait to tell you all about it. Make sure you come prepared to share your experiences as well. I'm so looking forward to seeing your smiling face!

In Our Classroom..

You are cared about. I value your ideas, thoughts, & actions. You have unique talents & strengths that will make our classroom even more amazing. We are individuals that will make up a whole family. Wahoo!

A Few Reminders...

Please bring a favorite summer photo for our Instagram bulletin board. Also, my birthday just happens to be on the 1st day of school! Homemade cards, high fives, & even hugs are optional yet highly welcomed. Enjoy every minute of this sweet summer & be ready to have your best year yet!
