

HI THERE!

A NOTE FROM...

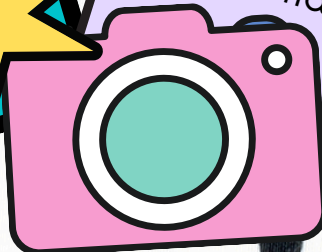

Mrs. Yannarella

WELCOME TO OUR FIRST GRADE FAMILY!

I am beyond excited to be your child's teacher this year! I am looking forward to our time together in Room 112. It will be a classroom filled with love, learning, friendship and fun!

ABOUT ME

My name is Alexandra Yannarella and teaching is my passion. This is my 18th year living my dream of being an educator. I have taught kindergarten, first, and second grade. I also spent time as a reading specialist. I am excited to lead my students on not only the journey of becoming a reader but all that is the MAGIC of first grade. (Trust me, there's a lot of magic!) Being a part of the Central Bucks School District is really special to me. I live in Doylestown with my husband (who is also a CB teacher!) and my three kids- Liv, Ty, and Boomer. You can find us walking, biking, or exploring Doylestown and playing sports on any open field we can find!
