

Dear Mill Creek 4th Grader,

Welcome to Fourth Grade! I am so excited to 'BEE' your teacher! My name is Mrs. Smith and I am new to the Mill Creek family this year. I have been a teacher at Cold Spring Elementary School teaching fourth grade the past two years. Being at Mill Creek is a new adventure for me.

Some of my favorite things are spending time with my four kids and husband, working out on my Peloton bike, reading books, and enjoying a good cup of coffee. I also love bees and our classroom this year has a beehive theme. I hope you will love being one of my "Busy Bees."

I have been loving summer with my family. My children's names are **Adam** (age 21 at Penn Tech College for architecture), **Drew** (age 18) a senior at CB South, **Abby** (age 15) a sophomore at CB South and **Emily** (age 12) a seventh grader at Tamanend Middle School. My dog's name is Lewis, and he is a Shih Tzu and is 10 years old.

A fun fact about me: I taught third grade in Georgia and lived there for 7 years, before moving back to Pennsylvania. I received my master's degree in early childhood education from Georgia State University and earned my undergraduate degree in teaching from Marywood University in Scranton. What are some fun facts about you?

This summer we went on a vacation to Ocean City and Sea Isle, NJ, took trips to the library, and had fun visiting relatives in upstate NY at the Finger Lakes. I cannot wait to learn all about you and the fun activities did you did this summer.

Get ready for a wonderful school year. If your parent(s) needs to reach me, my email address is stsmith@cbsd.org

Information:

First day of School: Tuesday, September 3, 2024.

Sincerely,

Mrs. Stephanie Smith
