

August 2020

Dear Parent(s),

Welcome back! I hope everyone is enjoying a relaxing and safe summer. I just wanted to take a moment to introduce myself, as well as, explain a few things about our classroom.

I grew up in Langhorne and currently reside in Doylestown with my husband and two boys, Gavin and Jake. Late summer and fall are exciting times in the Crawford house. We will be celebrating Jake's seventh birthday in August and he will start second grade in September. Gavin will turn twelve in September and will be entering sixth grade. Both boys will be right up the road at Cold Spring Elementary

I have been teaching for Central Bucks School District and the special education program for the past nineteen years. I attended Holy Family University and received my Bachelor of Arts in Elementary and Special Education and earned my Master of Education degree in Special Education.

I will have two educational assistants working with me this year. Both assistants will be working with the students within the autistic support classroom, as well as, the regular education environment (i.e. when all students return to the building).

I have attached a list of supplies your child will need within the special education classroom. If you have any questions or concerns, please contact me. Just an FYI... our classroom is located upstairs. Enjoy the rest of your summer!

Sincerely,

Mrs. Christine M. Crawford
