

August 2022

Dear Parent(s),

Welcome back! I hope everyone is enjoying a relaxing and safe summer. I just wanted to take a moment to introduce myself, as well as explain a few things about our classroom.

I grew up in Langhorne and currently reside in Doylestown with my husband Brian and our two boys, Gavin and Jake. Late summer and fall are exciting times in the Crawford house. We will be celebrating Jake's ninth birthday in August, and he will be entering fourth grade at Cold Spring. Gavin will turn fourteen in September and is starting 8th grade at Holicong.

I have been teaching for Central Bucks School District and the special education program for the past twenty years. I attended Holy Family University and received my Bachelor of Arts in Elementary and Special Education and earned my Master of Education degree in Special Education.

I will have an educational assistant and personal care assistants working with me this year. All staff members will be working with the students within the autistic support classroom, as well as the regular education environment.

I have attached a list of supplies your child will need within the special education classroom.

Teachers return to the building on August 23rd. Please feel free to reach out with any questions and concerns. I look forward to meeting everyone at open house on August 25th.

Sincerely,

Mrs. Christine M. Crawford
