

Pennsylvania Activities

Demonstrate your knowledge of Pennsylvania by completing _____ of the following choices. This assignment is due _____.

Writing	Art	Math	Research
<p>Do you like chocolate? Pretend you are interviewing Milton Hershey, the founder of Hershey's chocolate. Include information about how he started the company and how much chocolate is produced today. Include at least ten questions for Mr. Hershey.</p>	<p>Betsy Ross made the first United States flag here. Draw a picture of the first flag. Make sure your picture is in full color. You may use crayon or colored pencil. Include a one sentence caption about the flag.</p>	<p>Compare the 2010 population of Pennsylvania to the estimated 2012 population. What is the difference in the numbers?</p>	<p>What are the state emblems for Pennsylvania? Create a display of your findings. You may write a list, design a poster, or create a power point presentation.</p>
<p>There are many historic sites in Pennsylvania. Create a travel brochure that includes information about these sites. You may make the brochure by hand or create it on the computer.</p>	<p>Draw the Pennsylvania state flag. Include a caption below the flag, telling the meaning behind the symbols.</p>	<p>Calculate the distance between the State Capitol in Harrisburg and your home town.</p>	<p>Create a timeline of Pennsylvania history. Include key events of when it was first explored; what country controlled the area, statehood day, and any other important dates.</p>
<p>Choose one important person in the history of Pennsylvania. Write a short report about their life. When were they born? Why are they important?</p>	<p>Create a new license plate for the state of Pennsylvania. Make sure it is symbolic of the region.</p>	<p>What is the perimeter of Pennsylvania in miles? In meters?</p>	<p>The Erie, Iroquois, and Shawnee are a few of the tribes that lived in Pennsylvania. Research one of these tribes and complete the Native American Form.</p>
