

WELCOME TO WARWICK'S

VIRTUAL & HYBRID LEARNING SUPPORT

Dear Parents and Families,

I would like to welcome you to Warwick Elementary's Virtual and Hybrid Learning support for third, fourth and sixth grades! My name is Ms. Kate Mooney and I will be your child's Learning Support teacher/case manager for the 2020-2021 school year. I understand and I recognize that this school year is starting off much differently than it normally would, but I sincerely hope we can all work together to make this a fabulous school year regardless of what challenges we may have to overcome! We are a team, and I look forward to working with each one of you and your child to make that happen.

As your child's special education teacher, I would like to take this opportunity to say that I truly value communication between home and school, as I feel it helps our teacher, parent, student relationship. Please do not hesitate to request a team's call, call me, text me, or email me about anything. Your support is vital to a successful year!

Just a little bit about me... this is my 19th year in Central Bucks...most of which I spent teaching at Bridge Valley Elementary. I moved to Warwick last year and taught 4th grade learning support. In my years in Central Bucks, I have taught 3rd, 4th, 5th and 6th grade learning support. I live in Newtown, and I have one AMAZING son who is a sophomore at West Chester University. I am very active and enjoy taking Barre3 classes every day. I also love shopping and gardening. I am definitely a homebody, so I may have been one of the few people in the world that didn't mind being "quarantined". 😊

I am very excited to work with the amazing 3rd, 4th, and 6th grade teachers at Warwick, and I look forward to meeting and working with each of you too!

Sincerely,

Ms. Kate Mooney M.Ed.
